

A HALF FORGOTTEN SONG

© Patrick J. Simons 2025

A half-forgotten
Song plays
On the radio,
Evoking memories
Of people and places,
Of other times both
Good and bad,
Images alive
And vivid but
For a moment,
They are soon
Replaced by
Melancholy reality,
People gone forever,
Places never
To be revisited,
The fate of old
Friends unknown,
The ashes of lost
Loves drifting
In the wind,
Fading symbols
Of bygone days,
Watercolor images
Receding at the
Speed of light
And forever
Beyond reach,
Reflections of a world
Moving on.
